

Addendum #1

1. Number of homes serviced.
Approx. 1800 homes and 600 business accounts
2. Required Performance Bond.
\$100,000
3. Commercial Garbage.
Commercial Accounts are retail, office, restaurant etc. These accounts use the same containers as residential. We do not provide Dumpster Service.
4. Is the contractor required to provide containers to all residents?
Yes, all residents and commercial accounts are to be provided with a cart for garbage and a cart for recycling. If a customer chooses not to recycle the contractor does not have to provide a recycling cart.
5. Pricing on proposal.
Please give us a Price per cart.
6. Recycling Carts.
Are to be no less than 90 gallon.
7. Additional Garbage.
If a customer puts out more garbage than a cart will hold, that garbage needs to be collected also. As long as it is bagged.
