and businesses with live, family-friendly festive entertainment*

CUMMING, GA, February 2nd, 2023 - It's springtime, and we have some exciting news to announce! Pieces & Peaches, a local mother-daughter-owned fashion clothing boutique, will be hosting the spring seasonal pop-up market at the brand-new Cumming City Center. On April 22nd from 10:00 am-5:00 pm, this family-friendly event will feature up to 80 unique, local artisans and vendors as well as live entertainment and activities for kids. The event is free and open to the public, so bring your friends and family out for a day of shopping, eating, and fun. After a huge turnout of over 4,000 attendees from the winter market, Pieces & Peaches can't wait to bring on the Market and make your spring a little brighter.

The Market is kicking off the spring season with a plethora of curated vendors and local makers. Spring time is all about new beginnings, and we want to be there to help you make it happen! Our vendors are ready to make your spring dreams come true, offering decorations, adult and children's clothing & accessories, handmade jewelry and artwork, home decor, gift items, and food items, to name a few. They have been busy, and they're ready to show you what they've got. We know you'll find something special here. Whether you're looking for locally made items or just want to support your local community, our vendors have got you covered! You won't leave empty handed—we promise.

Aside from shopping, there is a full day of activities planned for adults and kids ranging from live music, kid friendly activities, food trucks, and more. Guaranteed to be a fun-filled and entertaining day as the Cumming City Center welcomes the general public for the first Spring Market. Pieces & Peaches is so excited to bring you a day to shop, eat, and enjoy locally. We can't wait to see you all there!

“Since this is a business I have started with my teenage daughter, we are committed to making sure that we will offer something for everyone at every age level, and most importantly, that we work with our local community to help promote business and artisans in our city. After seeing how much the community enjoyed the Fall Market, we can’t wait to bring on the winter. We want this market to be a place for people to get out, socialize and feel a connection with the vendors, other shoppers, and our community as a whole”, says Christine Fowler, owner of Pieces and Peaches Boutique. “Additionally, by being highly selective in our vendor selection, we wanted to ensure we offered a variety of high quality, unique merchandise and services that appeals to all age groups.”
