VI. New Business

A. TedxYouth: This event may be moved next year. The TedxYouth Event will be at the FoCAL Center Black Box free of charge. At this time, we have not reserved it. Ticket prices are not determined but a portion of them will have to be donated to the FoCAL center. Jackson and Gowri will be in charge of making the flyers and an instagram post for the event, and this event will be advertised on the afternoon announcements. 7-10 speakers will be present at this event, only high school students. With that being said, speakers must consent to being filmed and put on Youtube (parents need to sign off a waiver). The flyers and instagram post will show the date, time, theme, and have pleasing graphics. The possible expenses for this event include the Tedx sign, filming and editing, and printing brochures. TedxSign: must be printed onto cardstock and will take time to get a custom design. Filming and editing: must reach out to a sponsor OR partner with one of the school's film academy so they can possibly film and edit for us at a discounted price. Brochures: this will be a very fancy brochure handed to the audience that includes the theme and the speakers. We will need a sponsor to print it. Pradhyun and Ann will be in charge of sponsorships.
