

SECTION 00 11 19
REQUEST FOR COMPETITIVE SEALED PROPOSALS
CITY OF CUMMING
CITY OF CUMMING, GEORGIA
SMITHDALE HEIGHTS BOOSTER PUMP STATION

General Notice

The City of Cumming (Owner) is requesting Competitive Sealed Proposals for the construction of the following Project:

SMITHDALE HEIGHTS BOOSTER PUMP STATION

Cumming Utilities Project Number 807 / BField Engineering Project Number 022

Proposals for the construction of the Project will be received at **Cumming City Hall** located at **100 Main Street, Cumming, Georgia, 30040**, until **April 2nd** at **2PM** local time. At that time the Proposals received will be **privately** opened and read. Submit proposals to the Utilities Department receptionist on the ground floor. Proposals received after the designated time will be returned unopened.

The Project includes the following Work:

The Project will involve furnishing of all materials, labor, and equipment required to install a water booster pump station and approximately 600 feet of 3" HDPE water main and 400 feet of 2" HDPE water main.

Time allotted for substantial completion of work is 180 consecutive calendar days, the time allotted for final completion is 210 consecutive calendar days.

Obtaining the Proposal Documents

Electronic copies of the Proposal Documents may be obtained from the Issuing Office by paying a deposit of **\$25** for each set. Bidders may obtain Proposal Documents by contacting Jessica Shapiro by email at jess@bfield.us. Deposit is non-refundable. Make deposit checks for Proposal Documents payable to City of Cumming. Checks should be mailed to Chuck Butterfield c/o BField Engineering at 4180 Providence Road, Suite 325, Marietta, Georgia 30062. Upon receiving the check, the Proposer will be placed on the Plan Holder's list and the electronic copies shall be distributed.

Pre-Proposal Conference

A pre-proposal conference for the Project will be held on **March 11th** at **10AM** at **100 Main Street, Cumming, Georgia, 30040**. Attendance at the pre-proposal conference is encouraged but not required.

Instructions to Proposers

For all further requirements regarding proposal submittal, qualifications, procedures, and contract award, refer to the Instructions to Proposals that are included in the Proposal Documents (Section 00 21 16 INSTRUCTIONS TO PROPOSERS).

Proposals will be evaluated based on responsiveness to this RFP. The Owner reserves the right to select the responsive and responsible firm offering the best value. Evaluation will be based on a weighted scoring system: 70% price and 30% contractor qualifications and experience.

This Request for Proposals is issued by:
